

After School Art Classes
115 Dixie Drive
Chapel Hill, NC 27514
(919) 929-3591

Dear Parents,

Thank you for your interest in **Cely's House** After School Art Classes!

Enclosed you will find several forms that are important to us and necessary for the welfare of your child. Please see to it that all are completed and submitted to us at your earliest convenience. Though we are aware that this is always an arduous task, we also know that the success of our program depends greatly upon your active involvement and attention. We will be open on August 25, 2011 for public school children.

We are very excited about the coming weeks that we will be working with your child(ren). Some of you have already contacted us about coming over to see things before we start. The invitation is certainly open to all. In fact, we cordially invite anyone to come by and visit even during the day when we are in session. If you wish to volunteer to help us with trips or projects, you are more than welcome!

One thing we are asking of each family would be help with our daily snacks. We would appreciate it if each child could provide a snack once a month. Remember that this does not need to be an elaborate feast...just something wholesome that everyone may enjoy and that would be easy to prepare (Fruit, vegetables, and juice are good ideas --- something your child likes!).

All forms should be self-explanatory. Do take note that the Medical Statement form has two sides and that we need copies of insurance cards (if available) and immunization records attached.

Finally there is a copy of our Parent Handbook which we hope you will read carefully and contact us if you have any questions.

We are looking forward to a fun and enriching experience for all!

Yours sincerely,

Cely and Bill Chicurel
for **Cely's House**
